Select days in November and December.

Special live shows, entertainment, and midnight fireworks.

For Your Safety and Convenience

At Knott's Berry Farm, we want all of our guests to have a safe and enjoyable day. Every guest has different capabilities and limitations. Guests of extreme size, those with temporary disabilities (such as casts and braces), and certain permanent disabilities (such as neuromuscular disorders, amputations and other disabling conditions) may be prohibited from participating on some attractions for safety reasons. Hand-held infants may not be taken on the park's more aggressive attractions. Expectant mothers and guests with heart or back conditions should be cautious in deciding which attractions to experience.

For your protection, all the attractions here at Knott's Berry Farm incorporate safety systems that are designed by the manufacturer to accommodate people of average physical stature and body proportion. All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts must be positioned and fastened properly to allow guests to ride. Due to rider restraint requirements, guests of exceptional size may not be accommodated on some of our attractions. This may apply, but not be limited to, guests who exceed 6' 2" or those who exceed 250 pounds (some attractions may have lower weight restrictions), have a 46" waistline or 54" chest. Extremely large or small individuals, guests who have a history of heart, back or neck trouble or recent surgery, expectant mothers, guests with casts, braces, restrictive devices or disabilities may be affected by the requirements needed to ensure these systems operate properly.

Our ride admission policy has been developed in consultation with the recommendations of the manufacturer, our past experience, and our evaluation of each attraction using our knowledge of the attraction both in normal and emergency operating conditions. Our prime consideration is the ability of each guest to endure the dynamics of each attraction without the risk of injury to that guest or other riders. If you would like more rider information, please request a "Guest Assistance Guide" available at Guest Services, located in Ghost Town. We'll be happy to brief you on our ride admission policy and explain how it applies to your specific situation.

Most attractions cannot accommodate strollers, backpacks, cameras, stuffed animals, or bulky objects. Please leave them with a non-riding friend. Ride Operators cannot be responsible for these items. For safety reasons, eating/drinking, taking pictures, videotaping, and filming while participating on the attractions is prohibited. Headwear is discouraged on most attractions; however, if worn, it must be secured.

KidTrack, a wristband program that will assist you and the park personnel in reuniting your group should you become separated, is available at Guest Services. The park offers Parent Swap which allows one parent to ride while another parent waits with the child. When the ride is complete, the parents swap child responsibility at the exit.

Rider Height Requirements

For the safety of all park guests, all rides have rider height requirements based on the manufacturers' recommendations. Other appropriate safety requirements may also apply. The ride height requirements are posted at the attraction entrance.

Some attractions may require a supervising companion to accompany a guest. A supervising companion is someone who meets all the requirements to ride the ride themselves, is 14 years of age or older and demonstrates appropriate observed behavior. Supervising Companions are responsible for ensuring that the guest remains seated properly-where applicable-and follows all rules and regulations. For the safety of your child, a standard play shoe which does not contribute excessively to the child's height is required. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Knott's Berry Farm reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.

The Code of the West

We work very hard at Knott's Berry Farm to provide a safe and exciting entertainment experience. However, without your cooperation we cannot be successful. Please comply with all posted or distributed rules and guidelines. Use common sense. Respect the person and property of others. Please do not bring food or drink into the park. Do not engage in activities which are beyond your ability or physical capacity. Be personally responsible that you are in good health and free from heart, back, or neck problems, motion sickness, or other conditions, which could be aggravated by the park's attractions. No marijuana use is allowed on the Knott's property. Tobacco, cigarette, and e-cigarette smoking is allowed in designated areas only. Animals are not allowed inside the Park with the exception of service animals. A valid form of admission and a hand stamp are required for re-entry to the park on the same day. Some private or special ticket events do not allow re-entry. The Park is subject to closures in full or in part due to inclement weather. No refunds due to weather closures.

The Management of Knott's Berry Farm would like to ensure that the ultimate safety and enjoyment of all our guests is achieved every day. In order to do this, we are asking for your cooperation by refraining from the following list of unacceptable behaviors.

Unacceptable behavior includes, but is not limited to, any criminal conduct, disorderly and/or indecent conduct, any act that would endanger the safety of yourself or others, loud, profane or abusive language, loud music, running, roller skating, skateboarding, bicycling, throwing objects, spitting, jumping/cutting into queue lines, possession of or use of alcoholic beverages (other than in designated areas), illegal substances of any kind, smoking in queue lines or buildings, unauthorized distribution of literature, or postings of signs, inadequate or inappropriate attire, wearing of costumes, littering, interfering with the passage of others, use of pointing/laser devices, creating a nuisance or disrupting guests, associates or any venues, possession of weapons or any type or items determined to be a weapon by Knott's Berry Farm Management or its agents.

WARNING

Many rides at Knott's Berry Farm are dynamic and thrilling. There are inherent risks in riding any amusement ride, such as high speed, deep drops, sharp turns, or other dynamic forces. For your protection, each ride is rated for its special features. If you choose to ride, you accept these risks. Restrictions for guests of extreme size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Guest Assistance Guide available at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical limitations, Knott's Berry Farm does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, **DO NOT RIDE!**

SMOKING — For the convenience of all our Guests, smoking (including e-cigarettes) is allowed in designated smoking areas only. Please look for designated smoking location signs or ask a park associate for assistance.

LINE JUMPING IS NOT A SPORTING EVENT — To permit Guests to enjoy rides as quickly as possible, line jumping is not allowed. Line jumping is defined as: cutting in front of other Guests already waiting in line; leaving a line, then trying to re-enter the line at that same point; or saving a place for someone. This includes using restrooms and purchasing food or drinks, so please make all stops before entering a line. Line jumping, regardless of the reason, may lead to dismissal from the park. This rule is strictly enforced, with no refunds.
